

## Commercial Trainee

For more than a century, the people of Archer Daniels Midland Company (NYSE: ADM) have transformed crops into products that serve the vital needs of a growing world. Today, we're one of the world's largest agricultural processors and food ingredient providers, with more than 33,000 employees serving customers in more than 140 countries. With a global value chain that includes more than 460 crop procurement locations, 300 ingredient manufacturing facilities, 40 innovation centers and the world's premier crop transportation network, we connect the harvest to the home, making products for food, animal feed, industrial and energy uses. An opportunity has arisen for a trainee role in ADM's office in Jakarta – PT ADM Indonesia Trading & Logistics. In the 12-months program that is designed to give a comprehensive picture of our business and the way we work, you'll be working in different parts of our business, primarily in the commercial team, gaining valuable experience, and the knowledge you need in your future role. There is also opportunity to spend some time in our overseas offices to gain exposure. The scale, breadth and depth of our business will have you in on the action – with the opportunity to contribute to ADM's success. Throughout your traineeship, you will be provided support by a dedicated mentor from the commercial team.

The successful candidate will possess the following:

- Degree in Business / Commercial discipline, ideally with an agricultural focus
- Background, experience or knowledge of agriculture is desired
- Strong interest to develop a career in agri-commodities industries
- Proficient in spoken and written English
- Good interpersonal and communication skills
- Ability to work independently and in a team
- Resourceful and able to multi-task
- Strong self-motivation
- Willing to be hands-on
- Internationally mobile
- Available to start in Q3 2017
